WORK EXPERIENCE

Timeloop Technologies Private Limited

(June 2018 - Present)

Game Developer and Jr. Technical Leader

I have developed games for various platforms including:

- PC: Mac and Windows
- Game consoles: Playstore and Appstore connect I have experience in working with many genres of games like platformed, casual, puzzles, quiz, infinite-runner, FPS, pretend play for kids along with some educational ones. The following games which I developed which are uploaded in to playstore or Appstore:
- Baby Joy Joy ABC game for Kids (This game is available for Android and IOS both platforms. In this game, I worked as a developer. Android link: https://play.google.com/store/apps/details?id=com.skyvibe.JoyJoyABCs)
- Baby Joy Joy Pet Farm Pretend Play For Kids (This game is available for Android and IOS both platforms. In this game, I worked as a developer. Android link: https://play.google.com/store/apps/details? id=com.skyvibe.joyjoypetfarm)
- Baby Joy Joy: Tracing Letters Learn ABC for Kids (This game is available for Android and IOS both platforms. In this game, I worked as a technical leader. Android link: https://play.google.com/store/apps/details? id=com.skyvibe.joyjoylettertracing)
- Draft With Friends (This game is available for Android and IOS both platforms. In this game, I worked as a technical leader. Android link: https://play.google.com/store/apps/details? id=com.draftwithfriends.draftwithfriends)
- Hidden Object Games (This game is available for Android and IOS both platforms. In this game, I worked as a technical leader. Android link: https://play.google.com/store/apps/details? id=de.skyrocketapps.hiddenobjectmultiplayer)
- Construction Kid (This game is available for Android and IOS both platforms. In this game, I worked as a technical leader. Android link: https://play.google.com/store/apps/details? id=com.bairngames.constructionkid)
- NOPE: Jelly Slide Puzzle Adventure Find the Way(This is one of the puzzle adventure game. And We have created the level design tool for this game. I did the Technical Leading for this game. Android link: https://play.google.com/store/apps/details?id=com.cactuscake.jellynope)
